

Determination of NONSIGNIFICANCE
Notice Date: November 6, 2020

PROJECT:
Camp Hope

CRP No. 405961

Please find enclosed an environmental Determination of Non Significance (DNS) issued pursuant to State Environmental Policy Act (SEPA) Rules (Chapter 197-11, Washington Administrative Code). The enclosed review comments reflect evaluation of the environmental checklist by the lead agency as required by WAS 197-11-330(1)(a)(i).

Written comments may be submitted on this determination within fifteen (15) days of its issuance, after which the DNS will be reconsidered in light of the comments received.

Determination of NONSIGNIFICANCE

Notice Date: November 6, 2020

DETERMINATION OF NON-SIGNIFICANCE

Description of Proposal: The Camp Hope project proposes to redevelop County property. Proposed improvements include: construct a new camp lodge and parking area, replace the existing sleeping pods, construct a new septic system, construct improvements to the existing water system, construct new trails, provide Americans with Disabilities Act (ADA) improvements, improve on-site circulation, and construct a challenge course. The site is currently leased from the County by Camp Hope of Southwest Washington, a not-for-profit organization that runs youth camps. There will be no impacts to wetlands or wetland buffers. Habitat impacts will be restored on site with native trees, shrubs, and a grass seed mix.

Proponent: Clark County Public Works

Location of proposal, including street address, if any: The project is located at 12800 NE Roper Road, Battle Ground, WA 98604 in unincorporated Clark County North of Battle Ground, Washington. The project is in Section 22 of Township 04 North, Range 02 East.

Lead Agency: Clark County Public Works

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

The lead agency has determined that the requirements for environmental analysis, protection, and mitigation measures have been adequately addressed in the development regulations and comprehensive plan adopted under chapter 36.70A RCW, and in other applicable local, state, or federal laws or rules, as provided by RCW 43.21C.240 and WAC 197-11-158. Our agency will not require any additional mitigation measures under SEPA.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date below.

Comments must be submitted by **November 23, 2020**
